Open for breakfast and dinner, the restaurant serves contemporary American cuisine with a hint of Southwest influence and a focus on Arizona-sourced ingredients.
- **The Wine Bar:** a stylish bar with a Wine Spectator award-winning wine list, and one of the largest selections of Arizona wines. A weekly, interactive Chef's Table features a prix-fixe menu of 4 courses and 3 wines at the 20-foot-long communal table made of solid iron with a three-inch sandstone top set beneath amber and earth-colored blown-glass custom light fixtures.
- **View 180:** a sophisticated and vibrant bar and lounge overlooking the red rock canyon. With massive sliding glass doors that open to a verandah, this venue in the clubhouse offers a unique

indoor/outdoor setting for small plates, cocktails and wines by the glass, or desserts and after-dinner drinks.

- **Tii Gavo:** the resort's casual dining restaurant serves inspired Southwestern fare focusing on bold, vibrant flavors of foods indigenous to the region. Tii Gavo's intimate bar features local craft beers on tap, specialty cocktails and margaritas, including the signature Prickly Pear margarita. The casual atmosphere marries a traditional Western tavern with the comfort of a residential Southwest desert theme. Most notable is Tii Gavo's exterior circular patio and fire pit, where guests can dine by the warmth of an outdoor fireplace with striking views.
- **The Pool Bar:** Enchantment Resort's seasonal poolside dining allows guests to enjoy 360-degree views of the canyon from the pool deck and terrace chaise lounges and private cabanas. The recently renovated pool was elevated to a whole new level – literally – being raised by 10 feet and doubled in size for optimum views.
- **Mii amo Café:** the signature dining outlet at Mii amo is open for breakfast, lunch and dinner, celebrating health consciousness with full-flavored "intelligent cuisine" for spa and resort guests. Working in an exhibition-style kitchen, the chef emphasizes fresh and nutritious ingredients from mostly organic sources, including Mii amo's own organic garden. The wine list includes premium selections as well as organic and biodynamic wines. There is indoor and outdoor seating, plus the option of joining others at the communal table.

MII AMO SPA:

Mii amo, a destination spa within a resort, is named for a Yuman word signifying "passage" or "journey." The spa promotes healing through mind, body and spiritual therapies and provides spa services to Enchantment guests as well as to its destination spa guests.

Highly-trained therapists provide restorative therapies using Mii amo's signature blends of oils and lotions, natural ingredients and Native American-inspired practices. Full 60- and 90-minute treatments include massage, Reiki, Cranial Sacral, hydrotherapy baths, body treatments, Ayurvedic treatments, Watsu and specialty services.

Fitness activities at Mii amo include yoga, dance, Bosu, Qigong, Tai Chi, Pilates, aqua aerobics and more. Daily sessions include a Sunrise Stretch class, fitness walk and guided meditation.

SEVEN CANYONS GOLF: Designed by Tom Weiskopf, this 18-hole, par 70 championship course has a 360-degree view of red rock bluffs and green fairways. The links-style course challenges players with small greens, narrow landing areas, classic-style bunkering, mature trees, natural water features and constant changes in elevation.

The Performance Center offers an integrated system of golf instruction, custom club fitting and mental conditioning to help guests play their best game. A practice park features a two-tiered, 20,000 square-foot teeing area with 25 hitting stations, a 5,000 square-foot practice green, four target greens and a chipping area with a practice bunker.
