Scented vibrational oils matched to each chakra are combined with their coordinating colors, crystals and stones. Through intentional placement, aroma, and gentle touch along the chakra centers, your practitioner guides you on a sensory journey toward deeper alignment, embodiment, and clarity.

Connection Ceremony

Times of transition can be challenging regardless of whether they are happy, sad, rocky, or fluid. In this ceremony, you can meet these moments by letting go, saying good-bye or welcoming in, because connection can take many forms. Each individual ceremony is created to help you through a transition. Your transition may be connected to a specific event, such as a birth, a passing, or an anniversary. Or, it may be a broader life circumstance such as the evolution of a relationship.

Intentional Aromatherapy Massage

Aromatherapy in a uniquely Mii amo way. By combining the uncommon partnership of ten essential oils and ten intention-setting cards, this treatment approaches aromatherapy by essence rather than by sense of smell. It includes a dry body brush exfoliation with light massage.

Step into a sanctuary of empowerment, thoughtfully designed to support awareness, exploration, and renewal. Your journey begins with mind/body awareness, nurturing language, and guided reflection to clarify your energetic landscape and intentions. BODY TREATMENTS

Our Body Treatments include varying types of exfoliation, wraps and massages.

Desert Mist Body Renewal

This scrub, wrap and full body massage deliver head-to-soul healing. A soft magnesium scrub calms and reduces inflammation, and is followed by a clay wrap, which draws out toxins and improves circulation. Finally, a relaxing body massage utilizing a rich body butter moisturizes the skin.

High Desert Enzyme Wrap

After a whole body detoxifying dry brush, a light wrap of botanical and fruit enzyme oils stimulate the skin's ability to repair and hydrate. Now your skin is ready for a peptide-infused body lotion that nourishes and increases cellular rejuvenation.

Dosha Balancing Wrap

A restorative Ayurvedic wrap and oil-based therapy intuitively selected to support your energetic state and dosha. Take a scent journey of herbal oil blends, light exfoliation through soothing brush strokes, nourishing oil application leading to a warm, detoxifying botanical wrap.

Jojoba Butter Wrap

Native to Arizona, jojoba is a drought tolerant shrub seen across our landscape. Our jojoba shea butter is loaded with antioxidant properties. When wrapped in the butter after an exfoliating bee balm sugar scrub, it easily absorbs deep into the skin leaving your complexion supple and smooth.

MASSAGE AND BODYWORK

Our Massage and Bodywork Treatments include varying types including couples massage.

Ancestral Stone Massage

Ancient cultures around the world believe that our ancestors work through stones to support our healing journeys. This modern-day interpretation incorporates both hot and cold stones. Basalt stones are used for their thermodynamic qualities that maintain heat and transfer energy while marble stones remain cold resulting in a direct effect on the cardiovascular system and relaxation of the muscle tissue.

CBD Massage

Our CBD massage begins with a dry brush and hot compresses, to prepare the body to receive the healing benefits of the CBD oil. Then, using a combination of massage techniques and application of a high potency CBD salve, stress, anxiety, and muscle tension are relieved.
