

A MUST-SEE SETTING

ENCHANTMENT RESORT

The addition of Seven Canyons Golf Club to its amenities offering is a natural fit.

SEDONA, ARIZONA: Guests checking in after sunset have a unanimous reaction when they pull back their curtains in the morning.

“A common refrain is ‘Wow,’” said Mark Grenoble, president of Enchantment Group. “We are cocooned in a box canyon surrounded on three sides by thousand-foot vermilion cliffs. It is a must-see setting that photos on your iPhone don’t do justice.”

Set on 70 acres of panoramic natural terrain, Enchantment Resort stands at the doorway of secluded Boynton Canyon, the legendary birthplace of the Yavapai and Apache tribes.

“These and other tribes have inhabited Northern Arizona for a millennium,” explained Grenoble. “Our area is known for inspiring the mind, body and spirit. You can’t help but be moved by the beauty of Sedona’s famous red rocks created millions of years ago.”

RANKED ONE OF THE BEST DESTINATION SPAS WORLDWIDE

Located on the grounds of Enchantment, Mii amo presents a luxurious spa experience for resort and destination spa guests with a full menu of life-affirming treatments, fitness classes, and unique programming.

Mii amo, perennially ranked as one of the best, has been awarded the second best in the world this year by *Travel+Leisure*.

SEDONA, WITH ITS FAMOUS RED ROCKS, has played host to more than 65 Hollywood films, earning the nickname “Arizona’s Little Hollywood.” The rocks are actually thick layers of red to orange colored sandstone.

“Mii amo is reserved for registered guests only,” explained Grenoble. “This allows us to control and personalize the experience.”

One of the more exotic treatments at Mii amo is its Inner Quest therapy. Reflective of a Native American ceremony, it utilizes sacred elements that represent the four stages of life. Sweet grass is burned as you are wrapped in a Circle of Life blanket reconnecting with your inner self.

I’M SPEECHLESS

Access to Mii amo isn’t the only exclusive perk Enchantment Resort guests enjoy. You are welcome to play at Seven Canyons Golf Club, designed by Tom Weiskopf.

“When I first walked the land, I was speechless,” exclaimed Weiskopf. “Words cannot describe my excitement about designing a golf course surrounded by a national forest.

“I’ve always been an Alister MacKenzie fan. I like his style and flair. I implemented MacKenzie’s design philosophy at Seven Canyons. The

narrower fairways are on shorter holes and adequate driving areas with bigger greens are on longer holes. My favorite hole is the 13th. The backdrop of red rocks is stunning, and a big, gnarly pinon pine is located in the left center of the fairway to add a little spice.” ■
