## FREQUENTLY ASKED QUESTIONS

### **What skill level are the bike rides?**

Riders should be familiar and comfortable with mountain biking, but do not need to be avid riders. We have trails and rides available for all skill levels.

### **Can my family or travel partner join me?**

Yes. Any travel companion that does not partake in the adventure can enjoy numerous daily activities and amenities at Enchantment Resort.

### **Can I bring my own bike?**

Yes, you are welcome to bring your own full suspension mountain bike although it is not necessary. We have partnered with Pivot Cycles, one of the leading manufacturers of mountain bikes, who will have their demo fleet and accessories available for your 4-day adventure.

### **What do I need to bring?**

For this epic experience, you will need to bring bike shorts, bike shoes, gloves, and sunscreen. We will have helmets available as well as Camelbak water bottles for each rider. If you need any additional gear, our retail shop carries all the necessities and our local bike shop will be on site – ready to help with any additional needs.

### **Who are the guides?**

Enchantment Resort's expert guides George, Steve and Doug will be leading this 4-day adventure. With more than 80 years' combined experience instructing and leading rides in Sedona, our guides are true mountain bike enthusiasts with incredible knowledge of the region and its unparalleled red rock terrain.

### **What will the weather be like?**

October and November are beautiful months in the Sedona area. The average temperature is 65 degrees and the evenings can dip down to the upper 40's. Layers are the best option.

### **What day do I need to arrive? Can I stay just 2 nights?**

Ride the Red Rocks is a 4-day adventure package and all participants should plan to arrive on Monday, October 29th by 4:00 p.m. If you would like to extend your stay or have additional questions, please contact our reservations team at 1-800-250-1699.
